

# Leadership Round Rock Request for Proposals

Application Due Date: February 5, 2020

The Round Rock Chamber of Commerce is seeking non-profit organizations to apply for the 2020 class project for Leadership Round Rock. The [Greater Round Rock Community Foundation](#) will be coordinating the application process for the Chamber. All Williamson County non-profits with **impact in the Round Rock** community are encouraged to apply. The class project is an annual event that engages participants of Leadership Round Rock to aid a local non-profit with a current need.

The goal of the class project is both to unite the participants in accomplishing a common goal as well as allow them to make their mark on the community by completing a service project for an outstanding organization. All applications received will be presented to the class and it is their ultimate decision on what project is selected. The class will be encouraged to focus on applications that can be accomplished in either a single day or a few days, spread over a set period of time. The class will need to have their projects completed by September at the latest. Examples of projects range from painting or yard work to a public awareness campaign or social media blitz as well as volunteers for a Gala, fundraiser or silent auction. Though the class can certainly select bricks and mortar projects, leadership for the program will stress the difficulty in completing those types of projects in the timeline they are given. Think about your current needs as an organization and what it would take to complete this project and fill out the attached application. Please list any costs and/or supplies that would be needed as well.

**To apply you will need to email the 2<sup>nd</sup> page of this Word doc to: [info@rrcommunityfoundation.org](mailto:info@rrcommunityfoundation.org)**

**DO NOT** send your application to the Chamber. If you have questions, please call Amy Merida at the Greater Round Rock Community Foundation at 512-514-0046. Good Luck!

## Project Proposal Application for Williamson County Non-Profits

Please complete the requested information below. Your applications will be reviewed and voted on by the 2020 class of Leadership Round Rock. **The top three to four non-profits will be asked to make a presentation on February 26<sup>th</sup> @ 8:30 and answer questions for Leadership Round Rock.** In advance of this presentation the day chairs for the project will meet with these top candidates to coach them on their presentation to the class. The organization with the highest votes will be selected as the class project.
