expensive electric
motors

A world leader in
manufacturing electric
motors and generators

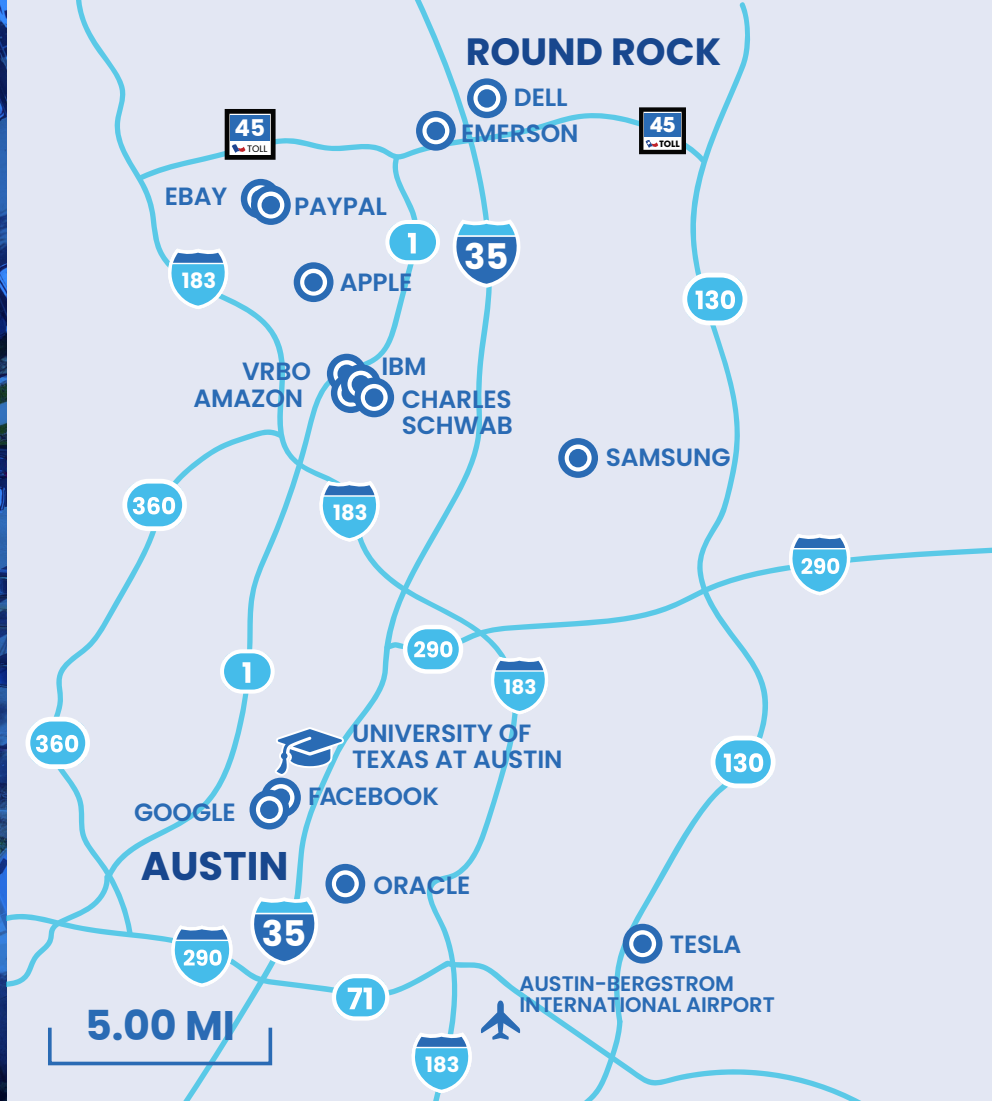

The City of Round Rock was **outstanding to work with**. Their attitude of collaboration between business and the city helped us meet all of our construction deadlines. They are ready to serve business and **put every other city I've ever worked with to shame.**"

Jim Nyquist

President of Systems and Solutions

Emerson Automation Solutions

STEP UP TO TALENT

More than 70 two- and four-year educational institutions fill the talent pipeline with 30,000 annual graduates, and Round Rock's K-12 school district is ranked one of the best in Texas.

The University of Texas at Austin – where Michael Dell founded Dell Technologies as a student before scaling up in Round Rock – is just 15 miles from Round Rock.

STEP UP TO BUSINESS MADE EASY

We understand the importance of speed-to-market, and we want to get your company up and running as fast as possible.
