

## Young Professionals Program

### Young Professionals Program

The Young Professionals Program is designed to build and strengthen our young professional workforce in Round Rock. We are committed to offering events and programs that revolve around leadership development, educational resources, and networking with likeminded individuals. Our goal is for young professionals to become more engaged in their communities. To join the program, [click here](#).

Open to individuals 22-40 years old  
\$40 membership; no application fee

Membership is annual, renewing every January

Membership includes:
